Welcome to the newest issue of Bedeseme Magazine

Kinky in Berlin

Last May we had the opportunity to attend the German Fetish Ball in Berlin. Which, for those who haven't been there (yet) is more than just a fetish party. During almost a week, Berlin becomes the center of the fetish scene, with several parties being hosted in different locations, by different promoters.

And on Saturday evening, the climax is the German Fetish Ball itself, organised by René de Parade and his team. Shows, catwalks, awards, performances, music, play area... everything was ready for everyone to enjoy and party until the sunrise.

The Spindler & Klatt venue, where the GFB was held, this year hosted also the German Fetish Fair during 3 days, where fetishistas could see and buy a plethora of clothes, props and accessories from the most prestigious creators.

All the images in this special edition were taken during those 5 days, in Berlin.

Many thanks to all the models and latex designers that made this edition possible,

Next year... we'll be there again!
